INT. CASTLE TEA ROOM

RILIANE is sitting at a small, round table in a terrace. In the distance, the church bells ring three times as ALLEN walks in carrying a tray with tea and brioche.

RILIANE

(smiling)

On time as always. What did you bring me this time?

ALLEN

(setting the table)

Brioche, milady. Your favorite.

ALLEN (V.O.) (CONT'D)

She always smiles so sweetly.

ALLEN (V.O.) (CONT'D)

Surely if others could see her right now, they would never speak ill of her again.

Riliane takes a bite of the brioche and looks back at him.

RILIANE

You don't need to stand on formality when it's just the two of us, Allen. You know that.

ALLEN

But you are the princess, milady. I am but a mere servant.

RILIANE

We are brother and sister. Twins.

RILIANE (CONT'D)

If you were to wear my dress and my crown, no one would tell the difference. How can our stations be so different?

ALLEN (V.O.)

This is our Princess Riliane. Humble, selfless. How can anyone reproach her?

ALLEN (CONT'D)

It is not for me to question. But I cannot complain. If you are happy, then so am I.

ALLEN (V.O.) (CONT'D)

And that is the greatest truth. If it is for the sake of her wellbeing, I would do anything. She knows it as well as I do.

ALLEN (V.O.) (CONT'D)

She is all I have. The darkest evil in the world wouldn't be too much for me if it keeps her at my side. My Rin...

RILIANE

I am happy. But Allen--

A guard knocks on the door.

RILIANE (CONT'D)

(irritated)

Yes?

GUARD

Captain Leonhart is in the throne room. He's causing a ruckus, Your Highness.

RILIANE

(haughtily)

Send him away.

GUARD

(shuffling his feet  
uneasily)

We've tried, Your Highness. But he's adamant that he wants to see you.

ALLEN (V.O.)

It must be as I feared. I can't let her see this.

ALLEN (CONT'D)

Milady, allow me to handle this. I will talk to the Captain and calm him down.

RILIANE

(shakes her head)

No, if you're going, I'm going with you. Let us see what he wants. Lead

(MORE)

RILIANE (CONT'D)

the way.

INT. THRONE ROOM

LEONHART is pacing angrily in the throne room. Riliane is announced and he salutes when he sees her, but he is obviously upset.

LEONHART

Your Highness!

RILIANE

You wanted my attention and you have it. Very well, what is it?

LEONHART

It's the people, Your Highness. I warned you we were running out of food. Now there's near nothing left and they're going to starve!

RILIANE

This is a rich kingdom. How can they starve?

LEONHART

(exasperated and angry)

You are the only one who's rich and that's because of your insane taxes!

RILIANE

(narrows her eyes)

Excuse me?

Leonhart realizes he's stepped out of line and pales, but doesn't back down.

LEONHART

They have no condition of paying tribute and still feeding their families. You must offer them exemption, Your Highness.

RILIANE

Preposterous. How would I afford to pay the staff then? The army? Do you really suggest that I leave the country defenseless, because the common man won't work enough to feed himself?

LEONHART

You have more than enough food in the castle. If you must take their money, at least distribute some of it!

ALLEN (V.O.)

Suddenly something clicks about what he says.

ALLEN (CONT'D)

Those reports of food vanishing from the castle stores... That was you, right?

LEONHART

(paling)

E-Excuse me?

RILIANE

You what? Did you steal from the crown, Leon? From me?

LEONHART

(steeling himself)

I did what I had to!

RILIANE

Whether your motives were noble or not, this doesn't excuse stealing from me. How could you?!

RILIANE (CONT'D)

Guards, arrest him.

LEONHART

What?! Your Highness--

RILIANE

If I don't punish you now, what kind of example am I setting for my subjects?

Player choice:

2A - Your Highness, isn't that too much?

2B - Stay silent. He did steal from the Crown.

2A:

ALLEN

Your Highness, isn't that a bit too  
(MORE)

ALLEN (CONT'D)

much?

RILIANE

I don't have a choice, Allen. I  
can't let others think it's alright  
to disrespect Mother's crown.

ALLEN

But he's always been good to us.  
And he was only trying to help...

RILIANE

(shaking her head)

I'm sorry. Guards... Take him.

[[Skip to fade out]]

2B:

The guards surround Leonhart and take him away to be  
imprisoned.

LEONHART

No! Your Highness! You're making a  
mistake!!

FADE OUT

ALLEN (V.O.)

After that, there were countless  
protests in the Captain's favor.  
But Rin stood by her decision, and  
little by little the uproar died  
down.

ALLEN (V.O.) (CONT'D)

Or at least that's what we liked to  
think. I just wish we could have  
apologized to the Captain's  
daughter before she left.

EXT. KINGDOM OF ELPHEGORT MARKET - DAY

Allen is walking around in the market, groceries in hand.

ALLEN (V.O.)

"Meet with my fiancé", she said.  
"Deliver my gifts to him."

ALLEN (V.O.) (CONT'D)

(sighing)

Oh, Sister, just because he and I  
are both visiting the same kingdom  
does not mean finding him is easy.

Allen looks around, finding almost everyone in the market  
has green hair.

ALLEN (V.O.) (CONT'D)

Still, I can see why they call  
Elphegort the Green Country. It  
can't be too difficult to find the  
king of the Blue Country here--

Allen runs right into MICHAELA and drops everything he's  
carrying.

ALLEN (CONT'D)

Ah! I'm very sorry. I was  
careless--

MICHAELA

No, no, it's quite alright! Here.

Michaela helps him up and gathers his things. Allen can't  
stop looking at her smile.

ALLEN (V.O.)

She has such a bright smile. I have  
never seen something more  
perfect...

MICHAELA

You're not from around here, are  
you? Where are you going?

ALLEN

(stammering)

O-Oh, I was sent on an errand. I'm  
only staying for a few weeks. I'm  
looking for the king of Marlon...

MICHAELA

(smiling)

Oh, Kyle? He'll be here in just a  
few days. I can take you to him  
when he gets here.

ALLEN (V.O.)

(freaking out)

"Kyle"?! King Marlon--"Kyle"?!

ALLEN (CONT'D)  
I-I take it you know each other?

MICHAELA  
Of course! Oh, but if it's your first time here, there is much you need to see. Come, let's drop off your bags and I'll show you around!

FADE OUT

ALLEN (V.O.)  
In the end, it wasn't just a few days. It turned out King Marlon was delayed, but I hardly minded. As impatient as I am to return home and see Rin, the past couple of weeks have been some of the best I've ever had.

ALLEN (V.O.) (CONT'D)  
It must have been fate. That is the only explanation for it. Bumping into someone that makes your heart beat faster like this... I thought it only happened in the fairy tales Rin enjoys so much.

ALLEN (V.O.) (CONT'D)  
But Michaela is so bright, so kind. She has shown me so many sights I never imagined back in the castle... But the most beautiful of all is her smile. I haven't told Riliane about her, but maybe I should. I want to ask if there is a place for Michaela at our court...

ALLEN (V.O.) (CONT'D)  
But a letter from home arrived first.

FADE IN

INT. INN AT ELPHEGORT CAPITAL

Allen sits on his bed and opens a letter from Riliane.

ALLEN  
A letter from Rin! I hope nothing happened. Maybe I shouldn't have

been away from home for so long...

Allen reads the letter and his face slowly pales.

ALLEN (CONT'D)

No... No!!

[[Show the tear-stained letter on screen:]]

"Allen,

Kyle broke off our engagement. He says... He's in love with someone else. Some girl from Elphegort.

I can't do this. I can't just let him throw away everything for that girl. We were promised since childhood! I love him! He's out of his mind. He can't marry a commoner from some other country. And the General is already pressuring me to go to war over the slight.

Please, Allen. Kill that girl. I know she doesn't deserve it but you mustn't let her ruin everything for Kyle and for us. I'm so sorry I have to ask you to do something like this but you know there is no one I trust like you. I tried writing to Kyle but he won't see reason. Find and kill this Michaela. There is no other way around it.

- Riliane"

ALLEN

(crying)

But how... Rin, how am I supposed to do that?

EXT. WOODS OUTSIDE THE CITY - NIGHT

Allen and Michael are walking through the woods near the city. Michaela stops them.

MICHAELA

So... What did you want to talk to me about, Allen?

ALLEN

(steeling himself)

There's something I needed to ask you. Are you... Are you and King Marlon...

MICHAELA

(smiling)

(MORE)

MICHAELA (CONT'D)

Yes?

ALLEN

Are you two seeing each other?

ALLEN (V.O.) (CONT'D)

Please say no. There have to be  
countless Michaelas in this  
country... Even ones who know King  
Marlon...

MICHAELA

(smiles even brighter)

We are!

Allen looks horrified.

MICHAELA (CONT'D)

He's coming to Elphegort because of  
me. I think... Allen, I think he's  
going to propose to me.

MICHAELA (CONT'D)

(looks puzzled)

Allen, why are you making that  
face?

[[Darken the screen.]]

ALLEN (V.O.)

No... No. Why? Michaela...

ALLEN (V.O.) (CONT'D)

(in painful disbelief)

I can't be with her. She loves...  
Him?

ALLEN (V.O.) (CONT'D)

No, no, that doesn't matter. I'm  
just one person. I can't let my  
feelings get in the way. I need  
to... think of the country first...  
Riliane...

ALLEN (V.O.) (CONT'D)

She was right. If we let this be,  
there will be war. She can't let it  
go or everyone will think Lucifenia  
has a weak leader. And these two  
aren't going to leave each other,  
are they...?

ALLEN (V.O.) (CONT'D)  
But still... can I....?

Player choice:

3A: Kill Michaela.

3B: Spare Michaela.

3A:

[[Set "killedMichaela" to TRUE]]

ALLEN (CONT'D)  
I'm sorry. I'm so sorry.

MICHAELA  
(startled and panicked)  
Allen, what are you--?!

[[Tint screen red, play sound effect.]]

Michaela at his feet, Allen holds a bloody knife close to his chest and doubles over as if in physical pain.

ALLEN  
For you, Rin, I would do evil...  
I-If the world itself were to  
become your enemy, I would protect  
you...

ALLEN (CONT'D)  
S-So why... Michaela... This was  
the right thing to do... So why...

ALLEN (CONT'D)  
(breaks down crying)  
Why won't my tears stop?

FADE OUT

[[Go to INT. TEA ROOM - DAY]]

3B:

[[Set "killedMichaela" to FALSE]]

ALLEN (CONT'D)  
No... No, I can't do this. I can't.

MICHAELA  
(confused)  
Allen...? What's going on?

ALLEN (V.O.)  
I need to tell her the truth. She's  
not safe. I'm sorry, Riliane, but  
there has to be another way...

ALLEN (CONT'D)  
I am a servant of Princess Riliane  
of Lucifenia.

MICHAELA  
(confused at first, then  
understanding)  
What does--oh.

ALLEN  
Yes. King Marlon's fiance, who he  
spurned for your sake.

MICHAELA  
Why are you telling me this?

ALLEN  
She...

ALLEN (CONT'D)  
(pauses, swallows dry)  
She asked me to kill you.

MICHAELA  
(backs away)  
W-What?!

ALLEN  
(raises his hands in  
surrender)  
But I can't! I can't! Please,  
Michaela, listen!

Michaela is just about to run and stops, watching Allen  
warily.

ALLEN (CONT'D)  
Please don't run. Listen to me,  
you're in danger. It's not out of  
jealousy.

Michaela looks unconvinced.

ALLEN (CONT'D)  
If King Marlon doesn't go back to  
her, Lucifenia will have to go to  
war to preserve her honor. We need  
to fake your death, Michaela. You  
(MORE)

ALLEN (CONT'D)  
 won't be safe otherwise.

MICHAELA  
 Why should I trust you? Were you  
 already thinking about this when we  
 met?

ALLEN  
 No! No, I only received her orders  
 earlier today. If I wanted to kill  
 you, I would have done so already.  
 That's not the point. Michaela--

MICHAELA  
 I won't make Kyle think I'm dead,  
 Allen. I can't put him through  
 this.

ALLEN  
 Then what am I supposed to do?

MICHAELA  
 Go. You'll receive a letter from  
 Kyle after I've explained things to  
 him.

ALLEN  
 (slowly nods)  
 I... I see. I will wait for his  
 letter. I'm sorry for all of this,  
 Michaela. I really did enjoy our  
 time together...

There is a revolution brewing in Lucifenia and I intend to join it, for our mutual friend's sake. I am letting you know because I trust that you can see it is the best for your country. I know it is a lot to ask, but please, when the time comes, please keep the princess with you inside the castle. Do not let her escape."

No signature and no names, of course. Heavens above--do they really expect me to hand Rin over to them?!

ALLEN (V.O.) (CONT'D)

I can't possibly do this. I need to tell her about this!

ALLEN (V.O.) (CONT'D)

ALLEN (V.O.) (CONT'D)

There has to be a way to keep her safe. I can't betray her...

RILIANE (CONT'D)

It is delicious as always, Allen.  
But... are you sure you're alright?  
You've been looking so gloomy these

ALLEN

(shaking his head)

No, no, of course I'm fine. It's  
just... These murmurs outside, the  
people speaking ill of you. I  
dislike it, milady.

RILIANE

They're simply hungry. They were  
like this last year, Allen. Don't  
worry about it. Things will quiet  
down after harvest time.

ALLEN

I hope you are right, milady. I  
fear the people still resent the  
Captain's fate--

A GUARD bursts into the room, breathless.

GUARD

Your Highness! The people have  
invaded the castle!

ALLEN

(panicked)

What?! What of the royal guard?

GUARD

There's too many of them and

You made this happen. Arresting  
Leonhart, telling me to kill  
Michaela... You created your own  
enemies.

ALLEN (CONT'D)  
These are enemies even I can't  
fight for you.

RILIANE  
Allen!

The sound of running footsteps approaches the room.

RILIANE (CONT'D)  
We have to leave! Please, Allen!

ALLEN  
It's too late now.

ALLEN (V.O.) (CONT'D)  
How can I just stand here and let  
this happen...? Am I really doing  
the right thing? Sister...

Kyle and Germaine burst in.

[[If "killedMichaela" is TRUE

GERMAINE

There you are!

KYLE

Now you pay for Michaela. You will not escape!

ALLEN

(steels himself)

We're not trying to.

ALLEN (CONT'D)

King Marlon... I was the one who called Michaela.

KYLE

(surprised and angry)

What...?!

ALLEN

I was the blade, and for that... I am sorry. But no blade strikes without a hand to hold it...

RILIANE

A-Allen, you can't be...

ALLEN

We have wronged you. We will pay the price. Please, Rin, be brave...

RILIANE

(nods tearfully)

I.... I will.

EXT. CASTLE TOWN PLAZA

Allen and Riliane are marched out to face the guillotine.

ALLEN (V.O.)

We were born together and we lived together... At least we accept our ends together. That was King Marlon's mercy for our surrender. We won't have to see each other die.

ALLEN (V.O.) (CONT'D)

It doesn't mean I'm not terrified. My hands won't stop shaking. But... I am proud.

ALLEN (V.O.) (CONT'D)  
 Proud of myself for accepting my  
 own sins, and for seeing my sister  
 as she is--a flawed being, like any  
 of us, but because of it, a real  
 person. I am proud of her.

ALLEN (V.O.) (CONT'D)  
 She is not the perfect, pure,  
 innocent ideal that only existed in  
 my imagination. For the first time,  
 I see the real Riliane...

ALLEN (V.O.) (CONT'D)  
 And she is beautiful.

ALLEN (V.O.) (CONT'D)  
 We face our end holding our  
 hands...

[[Tint screen red.]]

FADE OUT

ALLEN (V.O.) (CONT'D)  
 If one day we were to be reborn, I  
 wish we would be together again.

 Allen... I wasn't sure I would find  
 you here. You've done the right
